The Viking Games

Playing in the Viking Age was both fun and had educational purposes. The Vikings used playing as a way to practice and prepare before going to war. Therefore, it could mean the difference between life and death. With Viking Games you will play different authentic games from the Viking Age, live out your inner Viking and get closer to the Northern Mythology. Welcome!

PLAY LIKE A VIKING

In old Nordic sagas it is described how men used to practice many different sports. Here follows a list of Viking Games we offer.

- Archery
- Javelin Throwing
- "Lyfta Hav" - Weight Lifting
- Long Jump
- Tug of War
- Pull Fingers
- Rope Games
- "Knattleikr" - Viking Ball Game
- Shoe Run
- Bone Breaking
- Stroke of the Oars
- "Feittpinn" - Stick Game
- "Skinnleikur" - Leather Game
- Looping the Lapwing
- Mimers Well
- Chest Game

THE GAME IS ON...

- **Meet the Gods** - And be chosen into one of their houses, to divide your group into different teams. Maybe you will be chosen to be a part of Oden's Valhalla or maybe Hel? Only the Gods will know...

- **Get into battle** - You will go to battle via different games, both individually and in groups. Teambuilding and fun included!
- **The winner(s) will be announced** - After hard battles the winners of each game will be found - and these winners will all battle against each other to find the one and only winner of the Viking Games!

PRACTICAL INFORMATION

- **Wear comfortable clothes and shoes** – Be aware that the games can be physically demanding. Dress after the weather since the games preferably take place outdoor. Be prepared to hit the grass. We will make sure that everyone are well and feel good.

CUSTOMIZED GAMES

- Viking Games are for groups only, and based on a participation rate of 20 to 80 people. It will take approx. 4 hours including introduction.
- We are happy to customize an offer for you in terms of both number of participants and your preferences of games.
- For further information, please contact us.
